Peer Review

Arpit Shrivastava • Product Manager
Shared with Vikash • Submitted 2025-01-02

What are 1-2 things Vikash is doing well? Consider their impact and how they collaborated with you. Use bullets and share specific examples and suggestions.

Skills: Job-Specific Skills

1. **Collaborative Leadership**: Vikash excels in fostering collaboration across all cross-functional teams and peer PMs. He consistently ensures all voices are heard and incorporated in the decision-making process, creating an inclusive and productive work environment.

2. **Strong Execution Skills**: Vikash has demonstrated exceptional execution capabilities in launching the WCA project. His strengths include effectively structuring workstreams, aligning stakeholders across MM and Ads, and delivering results in a timely manner. He's shown a commendable willingness to roll up his sleeves when needed, contributing directly to the project's success.

What are 1-2 things Vikash could be doing better? Consider their work and impact, and how they collaborated with you. Use bullets and share specific examples and suggestions.

Volunteering for difficult problems: Vikash did great job with WCA, and can solve bigger more complex problems. Would love to see him volunteering and pushing to get those opportunities.
